

## Used Equipment Limited Warranty

### Eligibility:

This warranty applies exclusively to the original buyer of the product and only to items purchased directly through Atex.

### Warranty Period:

Coverage is valid for a period of **90 days from the date of original purchase**.

### Coverage Details:

If a material defect arises during the warranty period, Atex will provide the following support:

- Diagnostic evaluation and labor
- Partial coverage toward the cost of replacement parts

### Exclusions:

This warranty does *not* apply to damage or malfunction resulting from:

- Misuse, abuse, or unauthorized modifications
- Disassembly or use of non-Atex brand filters
- Exposure to corrosive substances or improper electrical supply
- Natural disasters such as fire or flooding
- Accidents, neglect, or failure to perform proper maintenance
- Repairs or servicing not performed by Atex or not in accordance with product guidelines

Additionally, the warranty does *not* cover:

- Shipping fees for equipment or parts
- General shop materials (e.g., wire, connectors, welding supplies, etc.)
- Refrigerants (e.g., Freon)
- Filters

### How to Obtain Service:

To request service under this warranty, you must provide proof of purchase at the time of drop-off at an authorized Atex location.

### Service Limitations:

All equipment is tested and confirmed functional before being returned to the customer. Atex does not guarantee any service or repairs performed after the product has been picked up. Atex reserves the right to deny warranty coverage or service at its sole discretion, regardless of prior approvals or listed coverage.
